SHOP FOR A TEEN ANGEL

Shop for a Teen Angel is a FamilyForward holiday project that pairs teens in our foster care program with donors who provide them with a new outfit. Clothing is a big deal for teenagers. However, teens in foster care receive limited funds for clothes barely covering basic needs, especially for growing teens who may change sizes several times in a year. With your generosity this holiday season, each teen in our foster care program will receive a new outfit.

ADOPT A TEEN

- ▶ You will be matched with a teen and given their first name, age, sizes and requests
- ▶ Minimum requirement is to provide one outfit per teen
- ▶ Accessories, beauty products, gloves, hats, scarves, jackets, pajamas and undergarments make great gifts

To be matched with a teen, please contact Leslie Tucker at 314.968.2350 ext. 222 or leslie.tucker@familyforwardmo.org.

SHOP FOR A CHILDREN'S HOME ANGEL

FamilyForward Children's Homes (located in Brentwood and St. Charles) provide residential and respite care for non-ambulatory children ages 0-21 with developmental disabilities and significant medical needs. Shop for a Children's Home Angel is a FamilyForward holiday project that provides personal care items and a variety of tools and toys to help the children in our residential care communicate, engage and play. Because of their unique abilities, most children function at an earlier developmental stage than their age would imply. Gift wishes have been thoughtfully selected by each child's therapist or teacher to help them reach their goals.
