

Fact Sheet

safer, healthier relationships
for children and families

VISION

FamilyForward leads the community in providing innovative solutions for advancing safer, healthier relationships for children and families.

MISSION

FamilyForward moves vulnerable children in the direction of hope by delivering comprehensive therapeutic and educational services to support biological, foster, and adoptive families.

Our Organization

FOUNDED

FamilyForward is the result of a merger between Children's Home Society of Missouri and Family Resource Center, two of St. Louis' most accomplished and leading-edge non-profit organizations. With 170 years of combined experience helping children and families, the agencies united in April 2017 from positions of strength to better serve the community.

Services for Children and Families

TRAUMA ASSESSMENT AND PSYCHOLOGICAL EVALUATION

- Trauma-informed, developmentally sensitive approach to understanding the impact of a child's history on current functioning
- Individualized recommendations to support children at home, in school, and with therapeutic interventions
- Assessment, treatment, and parent education services provided by Developmental Trauma Center clinicians, specifically trained in the Neurosequential Model of Therapeutics (NMT)

THERAPY

- Individual, family, and group counseling provided in-home and in-office
- Trauma-focused counseling using evidence-based practices

COACHING AND EDUCATION

- Classes for parents and caregivers
- Mentoring for youth and parents
- Comprehensive support for families faced with stressors such as safety, shelter, unemployment, and parenting
- Advocacy and financial literacy services for women who have been impacted by domestic violence
- Trauma training for professionals

FOSTER CARE AND ADOPTION

- Foster care case management, as a member of Children's Permanency Partnership
- Recruitment, training, and licensing for foster and adoptive families
- Intervention services to reunify children in out-of-home placement with their biological family

THERAPEUTIC PRESCHOOL

- Highly structured environment utilizing trauma-informed, developmentally sensitive interventions for children ages three to five experiencing emotional and behavioral difficulties

CARE FOR CHILDREN WITH DEVELOPMENTAL DISABILITIES

- Long-term, 24-hour residential care for non-ambulatory children ages 0-21 with significant medical needs, offering individualized habilitation programs to maximize physical, emotional, and educational growth
- Short-term, 24-hour respite care for non-ambulatory children ages 0-21 with significant medical needs, offering flexibility and support for families
